

Fake News Faux Real :

Group 24 : Minutes Of Meeting

Meeting Number: 1

Date: 1/2/23

Members Present: Aditi, Aayush, Hemangi, Jaimin, Kishan, Jay, Priya

Members Absent: Manan, Sameer, Krunal

Duration: 45 mins

Notes:

1. It was an introductory meet.
2. Everyone's skill set was discussed.
3. We decided on 5 topics.

Meeting Number: 2

Date: 7/2/23

Members Present: Aditi, Aayush, Hemangi, Kishan, Jay, Priya, Manan, Sameer, Krunal

Members Absent: Jaimin

Duration: 1 hour

Notes:

1. Discussed implementing a "fake news faux real" system.
2. Explored different ways to implement the system.
3. Decided to use machine learning models.
4. We decided to look for various machine learning models chosen were not provided.

Meeting Number: 3

Date: 10/2/23

Members Present: Aditi, Aayush, Hemangi, Jaimin, Manan, Sameer, Krunal, Jay, Priya

Members Absent: Kishan

Duration: 45 mins

Notes:

1. The group made decisions on which tools and technologies to use.
2. Several tools and technologies were identified and selected for the project.
3. Each team member was assigned specific tools that they would need to learn and use.
4. They were provided with resources for the same.

Meeting Number: 4

Date: 2/3/23

Members Present: Aditi, Aayush, Hemangi, Jaimin, Manan, Sameer, Krunal, Jay, Priya, Kishan

Members Absent: None

Duration: 45 mins

Notes:

1. The group engaged in a discussion about challenges faced during the previous weeks.
2. The challenges were majorly regarding the implementation of some of these algorithms.
3. The group also discussed the possibility of using alternate algorithms.
4. We researched a few alternate algorithms.

Meeting Number: 5

Date: 16/3/23

Members Present: Aayush, Hemangi, Jaimin, Manan, Sameer, Krunal, Priya, Kishan

Members Absent: Jay, Aditi [Minutes taken by Priya]

Duration: 35 mins

Notes:

1. A review of the previous weeks was taken.
2. The group engaged in a discussion about importing various models to GitHub.
3. The reason for the discussion was that there was a lot of data to import. Despite attempts, the data was not being imported successfully.
4. Different methods of importing the models to GitHub were explored.
5. In the end it was decided that we would look into other models and algorithms.

Meeting Number: 6

Date: 30/3/23

Members Present: Aditi, Aayush, Hemangi, Jaimin, Manan, Sameer, Krunal, Priya, Kishan, Jay

Members Absent: None

Duration: 30 mins

Notes:

1. A review of the work done so far was taken.
2. Front end designing was assigned to people.
3. It was mutually decided that this should be assigned in groups.

Meeting Number: 7

Date: 6/4/23

Members Present: Aditi, Aayush, Hemangi, Jaimin, Kishan, Manan, Sameer, Krunal, Jay, Priya

Members Absent: None

Duration: 1 hour 30 mins

Notes:

1. A thorough review of all the work done so far was conducted.
2. PPT was made for the mid-sem evaluation that was going to be conducted the next day.
3. Some members were asked to look into the backend aspect of the project.

Meeting Number: 8

Date: 18/4/23

Members Present: Aditi, Aayush, Jaimin, Kishan, Manan, Sameer, Krunal, Jay

Members Absent: Hemangi, Priya

Duration: 45 mins

Notes:

1. A review of all the work done in the past weeks was done.
2. Solutions for the backend deployment were discussed.
3. Some members were asked to look into the backend aspect of the project

Meeting Number: 9

Date: 22/4/3

Members Present: Aditi, Hemangi, Jaimin, Kishan, Manan, Sameer, Krunal, Jay, Priya

Members Absent: Aayush

Duration: 30 mins

Notes:

1. A review of all the work done in the past weeks was done.
2. People were assigned groups for various types of testing.
